I informed French CONGEN today per instructions. He showed me telegram from his Foreign Office dated June 15 reiterating French position on status Jerusalem unchanged. Message adds Israeli Ambassador Paris so informed, that Foreign Office had made appropriate observations to him re Fischer's demarche here, and had also made clear any call CONGEN might make on him would be strictly on courtesy basis. Telegram concludes in view considerations set forth in CONGEN's message to Foreign Office last week it was left to his discretion if and when to see Fischer.

French CONGEN tells me he will make no move to see Fischer but if approached will reiterate previously expressed willingness meet him anywhere except at Foreign Office.
